

NORTH HOUSTON SPORT COMPLEX

DYLAN PARK

NORTH HOUSTON SKATE PARK

ROCKSTAR ENERGY BIKE PARK

An **inclusive playground** that removes physical and social barriers to exclusion, Dylan Park was custom-built for kids with sight and hearing impairments, those who use wheelchairs, or who are on the autism spectrum. The colorful grounds are dotted with **engaging activities** and **public art**. The park honors Dylan Newman and is a haven for children who just want to chase the butterflies.

Skateboards, roller blades, and roller skates are welcome to explore **77,000 square feet** of fun - this is one of the largest skate parks in the world! The park features a competition-scale Texas-shaped bowl with a full pipe, backyard-style pools, and smaller bowls for **beginner, intermediate,** and **advanced** skaters. There's even a section designed to match the street-skating experience.

Houston's largest bike park appeals to amateur and professional BMX riders. The **20-acre park** includes concrete bowls, dirt jumps, pump tracks for all ages, a flatland freestyle area, shaded walking trails, and public art. One side of the park is reserved for **USA BMX** members and hosts clinics, practices, and sanctioned racing. The other side is **free** and **open to the public**.
